Hi Dawn,

Hope all is well with you! I am forwarding an email from Jennifer Flynn from the Massachusetts School Building Authority. When you have a moment, can you provide me with the following documents that Jenn is requesting? I am assuming I can get them from the town hall. Let me know if you have any questions or if this is something I need to reach out to someone else for. Thank you so much!

Hi Mike,

I did receive the hard copies and delivered them to our legal department. I did just receive an update from them, and they are requesting the following:

1. All certified votes from the RSD and Member Towns that relate to appropriating the funds for the Total Project Budget. These certified copies should include the entirety of the language that was used in the actual vote(s).

1. In regard to the November 2023 Special Town Election Results that they submitted: Could you please request a certified copy of Question 1 (the language of question that was reviewed by the voters). From the documentation provided, it is not clear what was actually voted on.

Please let me know if you have any questions and have a wonderful vacation!

-Jenn
