Good morning Stephen,

It was great to meet you in person last evening.

I wanted to send over a quick email, so you had all of my contact information.

I also figured I would take this opportunity to send the email chain below, in case you did not see it, as you were not on the initial cc list.

I just wanted to let you know that this is not a big deal, it is just the MSBA confirming they are closing out their Year end and want to be sure that we have all Propay submission completed in a timely manner. I know that john Standbrook has been working on these with Thoa Nguyen and Tony Nguyen, in my office and these have been submitted pretty regularly. With your coming on, if you have any questions, please feel free to reach out to anyone on the Colliers team, I have cced them all on this email.

Thanks,

Mike
