Hi John,

Would you be able to send us a payoff schedule for the BAN? We're looking into different ways to do it and among them is paying it off in 2 years instead of 3. With the project having passed at the ballot box, what do you have for options?

Thank you

Ken

Hi, Ken.

The debt split is based on the pupil split between the two towns. We won't know what that will be until we get the Governor's Budget at the end of January 2024.
