Subject: Fwd: Budget question

Hi John,

Just double check that these are correct and it's because the state determined Hanson has the ability to pay more.

Greetings Jeff,

I watched the School Committee meeting and made some notes on your proposed budget cuts and new assessments. I would like to thank you for your efforts to bring the assessments down. I would like to confirm the percentages to Whitman and Hanson for each of your scenarios:

At the 3.63% Whitman is 7.00% and Hanson is 7.68%;

At 3.00%, Whitman is 6.64% and Hanson 6.69%.

Should it be Whitman 7.68 and Hanson 7.00?

Whitman 6.69 and Hanson 6.64?

Thank you.

Lisa M. Green
