

recognized, however, that this information may not be readily available in this format. Therefore, bid summaries, reports or tables in PDF format or other formats will also be accepted as long as the required information is provided. Attached is DCAMM's directory of certified contractors as of July 1, 2022.

This data collection effort is being centralized. While you should continue to copy your MSBA assigned Project Coordinator and Project Manager on all e-mail correspondence related to this data request, the information will be compiled and consolidated by an MSBA consultant from Keville Enterprises. This information, as well as any questions related to this data collection effort, should be directed to:

Ralph Wallace

Ralph.Wallace@massschoolbuildings.org

Thank you and we look forward to your assistance in this effort.

Best,
Jennifer
