Hi Jen,

The only attachment should have been the draft presentation (attaching again in case you did not receive it). We were looking to share this presentation through the Google drive. The link only includes the cost estimating documents.

Hi Julie,

There is another document attached to your email. I am unable to open the document. Is this document the link I sent to everyone? I wanted to make sure I had all the information for tonight's meeting to pass onto the members.

Thanks,
Jen

Hi Julie,

Good morning! I will add the presentation to the meeting packet and send the link to members to view the cost estimating documents. Will you be bringing a hard copy of the presentation for the committee?

Thanks,
Jen

Hi Jennifer,
Attached is a draft of tomorrow night's SBC presentation, if you could please upload to the Google Drive and let all members of the Committee know that it is available for preview.
