■Hi Jennifer/Jeff,

We reviewed all your capital requests last night, we should be making our final recommendations on March 7th, 2024. Regarding the School Districts Capital Requests, can you prioritize your list of requests (I think the priority should be decided by the dept. heads) also could you provide any quotes or estimates which you received for the request you submitted.

Thanks, it will help to have those supporting documents.

Hi Jennifer,

My apologies, after reviewing the documents you sent on 2/12/24, it appears that the total amount being requested didn't change from the original total originally received in capital requests, you had just sent some additional documentation.
