This message originated from outside your organization

Hi Mike,

As discussed yesterday, I have attached the FINAL Contract Amendment #1, including the "Reimbursable Expenses / Other Unforeseen Additional Costs." category with a not to exceed value of \$100k. I have also included a revised cash flow spreadsheet. The attached Contract realizes a savings of \$239,516.10 in the TOTAL fee from the original budgeted amount, understanding that the \$100k reimbursable amount shifted from the overall budget to the Extra Services.

Thank you.

Troy

Sounds good. Kristen will send it over tomorrow. Take a look and let us know if you want to make any changes.
