

# Exported Emails from your DataCove appliance

Please see the table below for a listing of the exported emails in this batch. Under the Actions column, clicking the "Details" link will display the individual email's header information. Using your browser's "back" button (or alt-left arrow) will return you to your location on the page. The "View" link will create either a new tab, new window, or a pop-up window containing the actual email (display method depends on your browser's settings).
