Hi Dawn,

Hope you are having a great week. I was just circling back to see if you or anyone in your office can provide me with the following information. Thank you for your time and help with this.

1. All certified votes from the RSD and Member Towns that relate to appropriating the funds for the Total Project Budget. These certified copies should include the entirety of the language that was used in the actual vote(s).

1. In regard to the November 2023 Special Town Election Results that they submitted: Could you please request a certified copy of Question 1 (the language of question that was reviewed by the voters). From the documentation provided, it is not clear what was actually voted on.

When you have a moment, can you provide me with the following documents that Jenn is requesting? I am assuming I can get them from the town hall. Let me know if you have any questions or if this is something I need to reach out to someone else for. Thank you so much!
