Hi Lisa,

As we have stated publicly we would be happy to meet with the audit team once school finished and John transitioned out. Stephen Marshall came on board Monday so we are in the process of the transition. I will connect with the audit team to work on some dates that work for both of us. However if the budget doesn't pass at TM on Monday, my office is going to be very busy with RIF notices and working with DESE on a 1/12 until July.

Have a good weekend,

Jeff

As I reported on April 9, I received the email below from Jeffrey Szymaniak. I responded to him offering to meet with him. I have yet to hear back.
